

All persons entering the installation must show a picture ID. If you have a DoD decal on your vehicle, you will need to show a picture ID to the guard, and you will be able to enter any Fort Lee gate. You may want to have your state drivers' license, vehicle registration and proof of insurance on-hand just in case.

Cars without a DoD decal MUST enter Fort Lee at the Lee Avenue gate. If you attempt to enter Fort Lee at any other gate, you will be turned back and directed to the Lee gate. The Lee Ave gate is designated as the ONLY location to get a temporary permit for cars without a DoD decal. If you have a private POV with no DoD decal you need a state drivers' license, picture ID, vehicle registration and proof of insurance. If you have a rental car, you need a state drivers' license, picture ID, and rental car contract.
